IDS Advocacy

IDS offers some advocacy on behalf of our clients. This means we offer support and advice in areas where our services are used, so our clients can:

- Be free from abuse, neglect or discrimination.
- Be treated fairly at work, home and where they live.
- Have their issues heard and acted upon.
- Know more about their rights.
- Make their own decisions.
- Know more about the services that are available.

Where we are not able to help we will give our clients the details of independent advocates.

IDS will support our clients to ensure their needs are met and their human rights are respected.
